PROFILE

We Feel Pleasure to Introduce "RAJA CONSTRUCTION & BUILDERS"

ABOUT US

The founder of this organization is Raja Khan. He has done his education from renowned organizations and his last academic qualification is a Master in IR (International Relations). He has an interest in the construction and development field from which he started also.

He has managed his firm in a properly organized way to do the audit of a firm there is a separate audit co-firm and all the audit-related stuff has been done by a separate Chartered accountant. His firm is registered in the chamber of commerce, SECP, FBR, SRP.

Also, certified by the Pakistan engineering council (PEC). Raja Khan is running a big firm and providing quality services and working well in the industry for years.

MESSAGE BY CEO

Growing companies keep their past in mind and aspire to achieve unprecedented milestones in their future. We at Raja Construction and Builders work on the same principals of ethics that were the root of our establishment. Since our beginnings, we are committed to providing personal and professional services in a responsive, high-quality manner. And we still abide by these core values. Our interactions with our employees, customers, suppliers and members bespoke volumes of our high standards. The business model of Raja Construction and Builders to ensures our core disciplines in delivering effective construction solution in our targeted market areas. Our business model is to integrate our core disciplines to deliver better project solutions across the chosen market areas. We believe in building long lasting business relationships with our clients and at Raja Construction and Builders each and every client is important.

Raja Construction and Builders have invested a great deal in its workforce. Our staff and members are the backbone and pride of our establishment. Working together in a very productive environment we have completed many daunting projects including the high rise complexes, shopping malls, mosques, residential avenues, paper, pharmaceutical, poultry, textile industries and power plants. The list is just a mere glimpse of the diversity of construction projects that goes to our credit.

Our belief in putting the trust in our staff and faith in our valuable customers have proven to be the hallmark of our success stories. The mutual trustworthy relationship with our clients has ensured in the delivery of best services and reaching total solutions. On behalf of Raja Construction and Builders like to extend our gratitude for continually showing their confidence in our expertise. We promise to continue and outperform our targets in providing quality and solutions.
